STEP BY STEP

How do I...?

Book a place

1. Sign in and choose My course (the Training page).
2. Find the practitioner course and a cohort that suits you: each shows its start date, day and time, trainer and places left.
3. Choose Book a place. It appears under Your courses.

Good to know: Staff at a Motor Movers school ask their head for a place instead, as the school pays.

The Training page and the practitioner course.

Join a live session

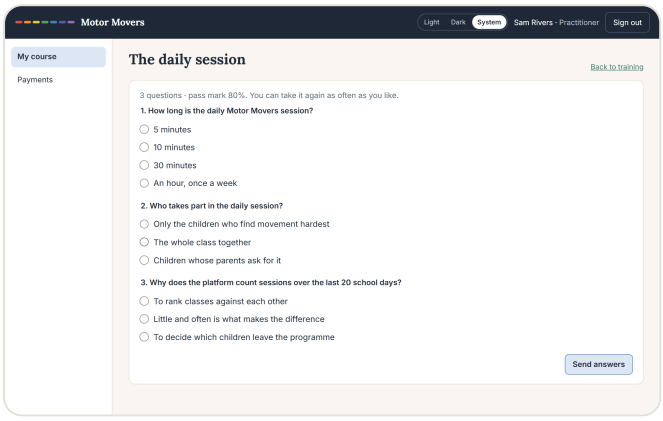

1. You get an email reminder the day before. Sessions are listed under Your live sessions, in your own time zone.
2. From 15 minutes before the start, choose Join live session.
3. The session opens in the platform. Allow your camera and microphone if asked.

Good to know: Adults only on camera, and no discussion of an individual child's condition: questions about a particular child go to the family's GP or school.

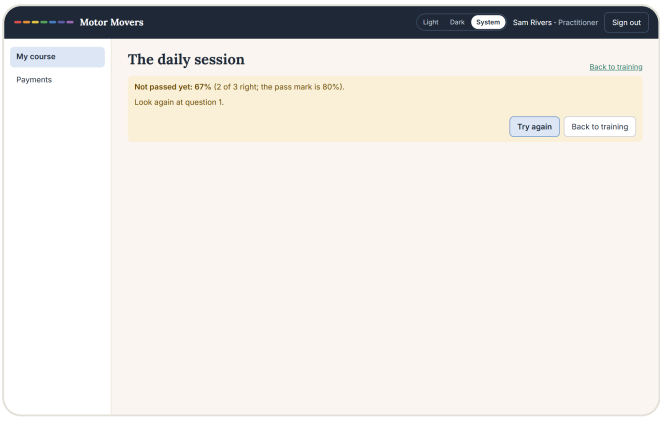

Take a quiz

1. Under Your courses, each quiz opens after its live session. Choose Take quiz.
2. Choose one answer for every question, then Send answers.
3. You see your score. If you have not passed yet, it says which questions to look at again: choose Try again.

Good to know: You can take a quiz as often as you like. Your best score counts.

A quiz.

Get your certificate

1. When you have attended every session, passed every quiz and your trainer has recorded the assessment, your certificate is issued.
2. It is emailed to you as a PDF. On the Training page, choose View your certificate.
3. Choose Download PDF to save it, or Print.

Good to know: The certificate lasts a year. You are reminded a month before it expires.

Good to know: You can cancel until the first live session starts. After that, contact the Motor Movers team.

2. Choose Pay by card and pay on the payment provider’s secure page, or pay as shown on your invoice.
